

Village Green Cider Norfolk – Product List

Our amazing ciders are lovingly crafted, each has been pressed from hand-picked Norfolk apples. Every batch has been matured at outside temperatures for over six months, before being carefully blended for you to enjoy. All of our ciders are vegan friendly:

MEDIUM SOUL CIDER

Contemporary craft apple cider

Our flagship cider, crafted using a diverse mix of apples, retaining many of the complex apple flavours; slowly fermented to give a clean crisp taste. It's Medium Sweet, and offers a gateway into the premium world of craft ciders.

5.7% ABV

CLASSICAL DRY CIDER

Traditional craft apple cider

A dry East Anglian style cider made using a more traditional blend of apples to give a sharp dry taste & retaining many of the characteristics from the apples themselves. For the purist of cider drinkers.

5.9% ABV

OAK STAGED CIDER

Aged in vintage oak barrels

Our Oak Staged Cider has matured in a traditional oak barrel. This gives the cider woody undertones and allows apple flavours to open and oxidise throughout. A more complex cider; take your time to enjoy this special drink.

6.8% ABV

SWEET COUNTRY CIDER

Modern craft apple cider

A taste of the sweet Norfolk countryside. This light cider has a lower alcohol content. It's sweeter flavour is ideally suited to those with a sweet tooth. An alcoholic candy shop of delight.

4.5% ABV

CLOUDY CRISP APPLE JUICE

Freshly pressed 'till the pips squeak'

We also create multiple blends of apple juice. When we tried this particular blend we loved it so much we thought the best option was to bottle it for all to enjoy!

A refreshing option drank before, after or even coupled with a glass of our cider.
